Albert Walkush Dies Of Burns Received In Cheese Mart Fire

Mrs. Walkush in Kenosha Hospital with Third Degree Burns

Albert J. Walkush, 49, proprietor of Al's Cheese Mart just north of the Illinois State line in Wisconsin on Rte. 41, is dead and his wife, Carolyn, 55, is in the Kenosha hospital with third degree burns as the result of a fire at their living quarters Saturday.

The two were removed from their burning bedroom at the rear of the store building by Walter Diesner, Illinois State Police officer, who spotted the fire as he was about to eat breakfast in the Fossiland restaurant just a short distance south of the cheese mart in Lake county.

He smashed the bedroom window, crawled inside the burning building, awakened the sleeping couple, and led them to safety through the front door.

Diesner then alerted state police who in turn radioed to the Newport Twp. fire department which went to the scene. Bristol, Wis., fire department arrived a short time later.

The Antioch rescue squad took Mr. and Mrs. Walkush to the Kenosha hospital. The clothing was nearly burned from their bodies and they suffered third degree burns.

Mrs. Walkush's death Monday was believed to have been from shock.

The fire is believed to have started in the garage portion of the building, although a neighbor said he thought it may have started in a closet. The frame building was destroyed with a loss of \$25,000.

It is believed that Mrs. Walkush is on her way to a slow recovery.

Second Semester for Adult Night Classes to Start Next Week

The second semester of adult evening classes at Antioch Township High school will start next week.

Classes in art, woodshop and sewing will continue for ten weeks at \$10 per subject. Adults interested may register the first night the class meets and the registration fee may also be paid at that time.

Classes will meet from 7:30 to 9:30 p. m. and will meet in accordance with the following schedule: Melvin Stillson will teach woodworking on Monday and Wednesday nights. On Tuesday evenings Veva Buchholz will teach sewing, and on Thursday nights John Scott will be the instructor in Art. It is necessary to have ten students in a class before it may be conducted.

The adult evening school has just concluded a successful first semester program.

The students in the art class will have a public showing in the school cafeteria on Thursday, Feb. 2, from 7 to 9 p. m. John Scott, Allendale teacher, is in charge of the exhibit. The general public is cordially invited to see the many fine art pieces done by the students the past ten weeks. Refreshments will be served by the members of the art class.

Average Cost of Pupil Transportation Lowers As Number Hauled Ups

The greater the number of pupils hauled the less per capita it costs the school districts, a report of County Superintendent W. C. Petty shows.

Antioch Grade School District in 1955 hauled 312 pupils at a total cost of \$9,736.63, or an average of \$31.16 per pupil, whereas Antioch Township High School hauled 442 students at a cost of \$11,128.05, or \$25.17 per capita.

Lake Villa Grade School transported 625 pupils at a cost of \$8,825.53 or \$16.80 per pupil.

Lotus school with but 47 pupils paid out \$1,410, or \$30 a pupil, and Millburn, 45 pupils at a cost of \$1,780 or \$39.56 per pupil.

The cost for transportation of 29 Emmons school pupils was \$731.09 or \$25.21 per capita.

The Lotus, Emmons, and Millburn schools hired private firms to do the hauling, and the others mentioned provide their own transportation.

There was a 7 1/2 per cent increase in the average cost of district transported pupils last year over the previous year. This was considered normal.

Bluejacket Choir to Sing

Great Lakes, Ill. — The Great Lakes Bluejacket choir under the direction of Marvin C. Genuchi, will present a one hour concert beginning at 4 p. m. Friday, Jan. 22, at the Trinity Evangelical Lutheran church in Ingleside, Ill.

Lake Villa Pastor Quits Preaching to Teach at Cornell College, Iowa

The Rev. Kenneth Plummer, pastor of the Methodist church at Lake Villa, accompanied by his family, will leave next week for Mt. Vernon, Iowa, where he will become associate professor of religion at Cornell College. He will also direct the religious activities of the campus.

Mr. Plummer is completing his thesis on American Church history which will be submitted for a doctor of philosophy degree at the University of Chicago. He has been studying at the University while serving as pastor of the Lake Villa church for the past two and one-half years.

Sunday will be his last day in the Lake Villa pulpit.

Ulick to Seek Office of State's Attorney at Republican Primary

Walter W. Ulick announced today that he is a candidate for the Republican nomination for State's attorney of Lake county at the April 10 primary.

Ulick, who has been first assistant state's attorney for more than three years, resigned the position simultaneously with his announcement.

He filed with the county clerk, petitions that have been circulated spontaneously by the Citizens' Committee for Walter Ulick for State's Attorney during the past two and a half weeks, while he was on leave of absence from the prosecutor's office. The committee has a large membership representing all parts of Lake county.

"As an American, a Republican, and a lawyer who believes in the equal enforcement of all laws, I submit my candidacy to the voters, who alone have the right to decide who is to be State's Attorney," Ulick said. "I did not seek this contest, but I will not avoid it."

Ulick, 36, lives on his Elia Township farm with his wife, Ginnie, and their four children, two sons and two daughters. He is a Navy veteran of World War II who served as a line officer for nearly four years with overseas duty in the Pacific, and was discharged as a lieutenant senior grade.

In addition to being a lawyer, he is a farmer, having 200 acres in Lake county. At one time, following the war, Ulick worked for a Chicago investment firm, went to law school nights, and ran a 100 (Continued on page 12)

Frank Lepinski, 75 of Near Salem Dies; Funeral Service Fri.

Frank Lepinski, 75, Paddock Lake subdivision, Salem, Wis., died at 3:15 p. m. Tuesday at his home.

Mr. Lepinski was born Sept. 9, 1880 in Germany, came to America as a boy and settled in Chicago. He moved from there to Irons, Mich., where he lived eight years, and then returned to Chicago. He came to Paddock Lake seven years ago.

Mr. Lepinski's marriage to Josephine Goralczyk took place May 4, 1904 in Chicago.

As a sheet metal worker, he retired from the employment of the Holland Furnace Co. in Chicago.

He was a member of the Holy Name church at Wilmet.

Surviving are the widow, one brother, Stephen Lepinski, Chicago; and a sister, Mrs. Anne Cichy, of Chicago.

The funeral service will be held at 10 a. m. tomorrow (Friday) at the Holy Name church in Wilmet with the Rev. Harold O'Connor in charge. Interment will be in Holy Name cemetery.

Friends may now call at Sfrang's Funeral home in Antioch.

Many Horses on Road Endanger Antioch Cars

Horses loose on Rte. 173 near the Pedersen Brothers Implement Co. sales farm east of Rte. 45 endangered many motorists last Monday evening.

A car driven by Joseph Patrovsky, Antioch, struck one of them, and a fender and windshield of the car were broken. The horse was walking on the edge of the pavement but jumped in front of the car as Patrovsky tried to swerve around it. The horse then ran off into a field and it is not known how badly it was injured.

Many persons who were driving to Waukegan to attend the Lions Club dinner narrowly escaped hitting the same herd.

Antioch Makes Clean Sweep of Grayslake in Weekend Basketball

To Play Wauconda Here Friday, Grant There Next Tuesday

Antioch High School basketball teams made a clean sweep of their games last weekend with Grayslake High school.

The varsity won at Grayslake Friday evening by the close score of 56 to 54. The Sequoits led all the way, but had to fight hard for possession of the ball in the last two minutes to prevent a Ram rally nipping the victory.

Three of the Antioch regulars, Huml, Herbst, and Reckers sat most of the last quarter on the bench under the weight of four personal fouls. Walsh went out of the game with an injury late in the third quarter.

Coach Larry Leon paid high tribute to Hasty, Bolton, Parker and Fish, who filled the gap and played the Rams on even terms.

The Sequoits have been strong on defense, holding their opponents to 50 shots or fewer a game during the last four games, three of which have been Antioch victories.

While the foul shooting of Antioch improved in this game the shooting from the field was far below average. The Sequoits took 75 shots, but made only 22 baskets for an average of 30 per cent. Grayslake got but 46 shots but made 20 of them for an average of 45 per cent.

Walsh had a good night at the free throw line, making all 10 of his attempts, and leading his team in the scoring.

The Sequoits led at the first quarter, 16-15, took the second quarter 15-12, tied the third quarter 15-15 and lost the final quarter 10-12.

The sponhomores beat the Grayslake underclassmen in the preliminary 42 to 37.

Antioch has a hard game ahead of them tomorrow evening when they play the Wauconda Bulldogs here. The Bulldogs hold second place in the conference with six victories and two losses.

Provided the Grant High School court is ready, the Sequoits will play the opener there next Tuesday. The Antioch freshmen gave the Ingleside freshmen a hot battle in the old gymnasium there Monday, winning in an overtime game 39 to 38. At regulation time the score was 35 to 35.

Both freshmen teams won at Grayslake Saturday. A big third quarter in which Antioch made 17 points and held Grayslake to 3, spelled victory for the A team 49 to 34. Dick Behrens made 17 points. Leroy Gallagher made 16, and Jim Oilschlager made 11 points. The score at the half was 24-24.

The B team won 36 to 28. Grayslake led at the half 16 to 14, but Jim Portalski sparked the team to a 12 to 3 third quarter that turned the tide of victory. He made 10 baskets for a total of 20 points.

Sales Tax, the State's Best Cash Raiser Has \$34 Million Increase

The Illinois sales tax, the state's best money raiser, brought in \$235,717,894 during 1955, an increase of \$34,739,583 over the preceding year. The tax went from two cents to two and one-half cents last July 1.

This showing and detailed figures on other tax collections appear in an annual report issued by state revenue director Richard J. Lyons.

Other 1955 collections shown in the report are:

Cigarette tax, \$31,473,071, up \$892,328; liquor tax, \$24,830,687, up \$1,266,442; motor fuel tax, \$143,682,019, up \$7,122,107; petroleum inspection fees, \$936,272, up \$51,809; public utility tax, \$30,932,595, up \$2,253,663; coin-operated amusement device tax, \$885,500, down \$22,857; and private car line tax, \$566,497, up \$36,038.

Rising coal consumption of the 10 largest electric utilities in the nation has reached a level of almost 33,000,000 tons a year.

Mothers March of Dimes Tuesday Will See Many Women Canvassing Area for Polio Fund

Through the blowing of the fire and rescue squad sirens an alert will be sounded at 7 p. m. Tuesday, Jan. 31, for porch lights to be turned on welcoming canvassers in the Mothers March of Dimes.

Mrs. Norman Jedele called upon people of the Antioch area who have not already contributed to the polio fund to do so at this time.

Workers are asked to obtain their books of William Brook at the Antioch State Bank in readiness for the drive.

The Mothers March of Dimes is expected to bring to a successful conclusion the campaign that has been in progress for a month. Receipts have been placed in stores to receive money from those who wish to contribute in that fashion.

There is no need to explain the benefit of the polio fund, for its service over the years is well known. Although the new polio vaccine is expected to curb the disease, the 47 cases this year in Lake County adds to the call for treatment of victims already under care.

Mrs. Jedele suggests that those who will not be at home next Tuesday evening contact the solicitor nearest their home before or after the canvass.

Those who are participating in the Mother's March are:

- Mrs. Katherine Archer, Channel Lake.
- Mrs. Rudolph Brausam, Petite Lake.
- Mrs. Richard Carlucci, Highland Avenue and North Avenue.
- Mrs. Leonard Case, Shady Nook Subdivision.
- Mrs. Louis Chenette, Morley's, Warriner's and Grand View Subdms.
- Mrs. Don Chiappetta, South Main Street.
- Mrs. John Delaney, Channel Lake Shores.
- Mrs. Ellis Dotson, Victoria Street.
- Mrs. Ralph Dowell, Channel Lake.
- Mrs. Elmer Eberman, Channel Lake.
- Mrs. Richard Eckert, Orchard Lane.
- Mrs. Rudy Eckert, Park Ave.
- Mrs. John Furlan, Loon Lake Rd.
- Mrs. Clarence Gibbons, Felter's Subdn.
- Mrs. Chester Golonka, North Shore of Loon Lake.
- Mrs. William Haisma, Rosing Subdivision and Beach Grove Road.
- Mrs. Edward Hamelberg, Jr., Felter's Subdn.
- Mrs. Elmer Hawkins, Depot St. and Little Silver Lake.
- Mrs. Marshall Haydon, California Subdn.
- Mrs. John Horan, Jr., Orchard and Hillside Avenues.
- Mrs. Herbert W. Horton, Dwight Court and Oakwood Knolls.
- Mrs. Henry Kapell, Linden Lane and Channel Lake.
- Mrs. Paul Kessenich, Bishop St. and Ida Ave.
- Mrs. William Keulman, Antioch Hills and Rte. 21.
- Mrs. Casimir Lenczewski, Bluff Lake.
- Mrs. Clarence Mair, Naber's Subdivision.
- Mrs. James Maplethorpe, Lake St.
- Mrs. Arthur Melendark, David St.
- Mrs. Lloyd Murrie, Shady Nook Subdn.
- Mrs. Clarence Olson, Rte. 59.
- Mrs. Ernest Ott, Felter's Subdn.
- Mrs. Wayne Polsgrove, North Main St. (West side).
- Mrs. Jane Powell, Indian Point.
- Mrs. Wesley Reeves, Sr., Ashwood Glenn.
- Mrs. Elmer Rentner, Hardin St.
- Mrs. Richard Ripley, Tiffany Rd.
- Mrs. Jerry Rockow, Parkway Blvd., 1st and 2nd Sts.
- Mrs. Edwin Runnfeldt, Windsor Drive.
- Mrs. Louis Smoc, California Subdivision.
- Mrs. Melvin Stillson, Spafford St.
- Mrs. Norvin Stoffel, Felter's Subdivision.
- Mrs. Ed. Strang, South Main St.
- Mrs. June Soucek, Channel Lake.
- Mrs. William Terry, Channel Lake.
- Mrs. Homer Toft, Grass Lake Rd.
- Mrs. W. Troyke, Depot St. and Corona Avenue.
- Mrs. Roman Vos, North Main St. (East side).
- Mrs. Paul Zeien, Channel Lake.

Defines Who Must File Income Tax Returns

Income tax filing regulations remain unchanged from last year, Delbert J. Luippold, Acting District Director of Internal Revenue Service, today reminded taxpayers of the northern Illinois district.

Individuals under 65 who had a gross income in 1955 of \$600 or more must file. Those 65 or over are required to file if their gross income was \$1200 or more.

However, self-employed individuals must file an income tax return if they had at least \$400 net earnings in 1955.

Mr. Luippold pointed out also that persons with incomes of less than \$600 (\$1200 for those 65 or over) should file returns to get refunds if tax was withheld.

Insurance Company Elects

The Millburn Mutual Insurance Co. held its 101st annual meeting Tuesday at the Congregational church in Millburn and elected as officers Eric E. Anderson, president; Robert C. Denman, secretary; Carl D. Hughes, treasurer; John Wirtz, Frank Cremin, and Emmet King, directors. The fire insurance company had a good year with few losses and increased membership.

Reappoints ICC Men

Governor William G. Stratton has appointed J. G. Van Keuren, of DuQuoin, and Cyrus J. Colter, of Chicago, as members of the Illinois Commerce Commission.

They were first named to the Commission in 1951. Their reappointments are for five year terms.

Louis Chenette Resigns As Local Band Director, Elliott Made Manager

Louis Chenette, member of the Antioch High School faculty, has resigned as director of the Community band effective next Tuesday.

He has served as the director since the band was organized two years ago. It developed from a night class he conducted in music.

Members of the band will direct rehearsals until a successor can be found.

The band Tuesday evening elected Clair Elliott as business manager. His duties will be largely that of organization.

Traffic Deaths 2,195 in 1955

Motor vehicle accidents in Illinois killed 2,195 persons last year, thus marking up a seven per cent increase over the similar deaths in 1954, and the highest annual death toll since 1941 according to a report by the state Division of Highways.

A factor in the high toll was a 20 per cent upturn in fatalities during the last three months of 1955. In December, 248 deaths were reported, a 23 per cent increase over the 202 fatalities in December, 1954.

Free Movies Monday Night

The public has an invitation from the Antioch Chamber of Commerce to attend a movie entitled "It's Everybody's Business" to be shown at 8 p. m. Monday in Room 119 at the Antioch Township High school. The movie is in color and is said to be highly interesting.

Large Attendance Expected Friday at Pool "Kickoff"

Canvassers Optimistic Over Prospect of Aqua-Center Bond Sales

A large attendance is expected tomorrow evening at the kick-off meeting of canvassers who will begin their campaign to sell \$70,000 in bonds to pay for the proposed Antioch Township Aqua-Center.

The meeting will be held at the Antioch Rescue Squad building and will begin at 7:30. All information and materials will be distributed to sales teams and designated territory will be allotted. Names of prospective purchasers of bonds will be furnished to canvassers.

Although the campaign does not officially start until Saturday the purchaser of Bond No. 1 was Miss Mary Fields, a receptionist at the office of Dr. James Kopriwa. Bonds are of \$100 denomination.

Heading the campaign to sell the bonds is William Brook, who has been selected as team captain from among the sponsoring organization, the Lions Club, the following: Albert Dittman, Clarence D. Olson, G. Dudley Kennedy, Raymond Bruhn, Robert Jensen, Herbert Carlson, Roman Vos, Anthony Scully, and Loren Sexauer.

Representing the Parent-Teacher Association will be Mrs. Donald Francisco, chairman; Mrs. Alfred Young, Mrs. James Kopriwa, Mrs. Harold Young, and Supt. Richard Whitacre.

The Antioch Woman's Club will be represented in the campaign by Mrs. Myrus Nelson, Mrs. Clarence Olson and Mrs. Dudley Kennedy.

Other organizations such as the American Legion and Moose are expected to send representatives.

The mailing of 4,300 brochures was completed the forepart of this week and replies have commenced to come in.

Dr. G. W. Jensen, president of the Lions Community Service Corp., which is the legal organization in charge of the project, asked that the public be patient until the solicitors have time to interview them. The blue slip agreements may be mailed in however, to the corporation at Antioch Box 674 and he said that checks for the bonds may be made out to the Community Service (continued on page 7)

Antioch Recreation Announces 11th Annual Men's Singles Tourney

The 11th annual Antioch men's singles bowling tournament will open Feb. 4 at the Antioch Recreation lanes.

Last year the event attracted 906 entrants.

Official dates are Saturday and Sunday, Feb. 4-5, and Feb. 11-12, and on weekday afternoons from 1 to 4 p. m. Feb. 6-10.

Starting time will be 1 p. m. with squads slated every 20 minutes.

C. R. Gibson has estimated prizes at \$2,400 based on 800 entries. If the entry fee exceeds that number the prizes will be extended.

Winner of the top prize, \$400, last year was Joe Sterbenz of Antioch with a total of 717.

Fox Lake Approves \$325,000 Bond Issue For Sewage System

Fox Lake on Tuesday voted 411 to 285 (with 22 spoiled ballots) to issue \$325,000 in obligation bonds to construct a sewage disposal system.

Heading the campaign was Trustee Harold Piehl, chairman of the sewer and water committee, who is a department manager of the Atlantic and Pacific store in Antioch.

The committee will meet with the engineering firm of Baxter and Woodman this evening to give orders on plans and specifications. Atty. E. C. Jacobs, Antioch, will attend as the Fox Lake attorney.

It will be up to the village board now to decide whether or not an additional \$525,000 in revenue bonds will be issued to install the sewer system.

Piehl said that 30 days after the specifications are ready, the contracts will be let and ground will be broken on the treatment plant which will be situated on village property west of Rte. 12 between the two bridges.

Cutting Costs on the Farm

A mid-western advertising executive, who was raised on a farm and has been in close touch with the world of agriculture all his life, recently said that there is one thing the American farmer has learned: "Efficient production is essential. That means he must be a man not only of the soil, but a man of the machine shop, a businessman, and a student of weather, insect pests, seed, world trade, labor, and politics."

He then related this to mechanized farming. In industry an expensive machine will be thrown out because a new one can save a few cents on each unit produced. A similar process takes place in modern farming. As he put it, "American farmers have learned—and other world farmers are learning—a new farm tractor or machine that cuts costs more than a previous model is a necessary and wise investment."

American agriculture produced record crops last year—and did it with less human and animal labor than in any other year. Mechanization—the ever-increasing use of more and better farm equipment of many kinds—was the reason.

The Farm Equipment Institute recently reported "Farmers are putting into use new machines and methods for increasing farm production at a fascinating rate. Farmers have sizable backlogs of purchasing power, their credit is good, and they are continuing to mechanize to gain efficiency and cut costs." We hear much of current and temporary agricultural setbacks. We should hear more of the great long-range gains that agriculture is making—gains that over the years will be of tremendous service to the consumers as well as the producers of our food and fiber.

It Pays to Please the Customer

Alfred D. Stedman of the St. Paul, Minnesota, Pioneer Press, is one of the Midwest's foremost agricultural editors. A recent column of his is of special significance, in view of the current pork situation with its heavy supplies and depressed prices.

He quoted from a housewife who had written

him a letter complaining of excessive fat on ham and other pork products. This, she said, deterred her from buying pork, even though she had a strong liking for the meat. She added, "When the farmers supply us housewives with good lean usable meat, we'll buy more pork."

Mr. Stedman then went on with his own comment. He wrote, "So there is word to the farmer from a source to heed . . . This is the housewife herself. And what is the aim and end of the swine business if not to produce pork products of kind and quality most desired by the consumer?"

Fortunately, Mr. Stedman observed, real progress in that direction is being made, even if the goal hasn't yet been reached. Hogs are being marketed at lighter weights, which means there is less fat. Better prices are being paid for the meat type hogs. The American Meat Institute as a representative of the packers, has brought about closer trimming of the fat on pork cuts. To quote Mr. Stedman again, "Farmers have the housewife's word that more of this progress is needed and will pay."

In any enterprise, it always pays to please the ultimate consumer.

The Future of Natural Gas

Back in 1938, the natural gas pipelines, which are in interstate commerce, were brought under federal regulation. The gas distributing companies are regulated by state commissions, as are the electric and other utilities.

But the independent producers of gas in the field were not regulated until 1954 when, as a result of a Supreme Court decision, they were brought within the jurisdiction of the Federal Power Commission.

These producers have no protected markets. They are not selling retail to consumers as a public utility. They must take long risks and constantly meet intense competition. Therefore, Congressional action is proposed, and strongly backed, to free them of federal regulation. The Portland Oregonian succinctly summed up the principal arguments against regulation in these words: " . . . that incentive of producers to seek new supplies of natural gas is destroyed under federal price fixing; that costs to consumers will increase rather than decrease under regulation that diminishes the supply; that the producers when free to compete have done a good job for the consumers; that federal control of one fuel could lead to controlled production and price-fixing for all fuels, perhaps for other commodities."

Both the FPC and the President's Advisory Committee on Energy Supplies and Resources Policy have stated that the independent gas producers should be relieved of regulation. The future of the great and growing natural gas industry is at stake.

Veterans of 1950-52 May Still Get Unpaid Mustering-out Money

Willard A. Manning, Administrator of the Illinois Veterans' Commission, has announced that veterans who served in the Armed Forces between June 27, 1950, and July 16, 1952, who have never received their mustering-out pay, may have their money waiting for them in Washington.

Military services are holding mustering-out pay for approximately 3550 veterans or their survivors, but cannot directly advise eligibles since the various services cannot solicit claims against the government. The Army estimates that about 2500 have not received their mustering-out pay, the Air Force has about 600 eligibles, the Marine Corps 250, and the Navy 200.

In the event a veteran dies after discharge, and before receiving mustering-out payments due him, the claim may be paid to the surviving widow, or widower. If there is no widow or widower, the money will be paid in equal parts to his children. If there is no surviving spouse or children the money may be paid to the surviving parents in

equal parts. No others are eligible to receive the payments.

In Lake County, veterans should contact the Illinois Veterans' Commission Service Officer at 221 Washington street in Waukegan. The office is open daily between the hours of 8:30 a. m. and 5 p. m., and on Saturday until noon.

Fly ash, trapped in the industrial consumption of coal, is growing in commercial value daily, and one of its latest applications is as a principal ingredient in the concrete poured for the \$100 million Straits of Mackinac Bridge. Use of fly ash not only economizes on cement, but improves the quality and pumpability of fluid mortar.

More electric power is used by the Oak Ridge installation of the Atomic Energy Commission than by the highly industrialized city of Detroit, Mich. Power for Oak Ridge comes from the •Kingston, Tenn., steam plant of TVA, which uses 4,300,000 tons of coal a year.

PERFORMANCE
made it the
Largest Selling "8"
in the World...

the FORD V-8

Just look at these official registration figures
for the first 11 months—January
through November, 1955

Here's why!

People just naturally go for 8 cylinders
in the FORD package!

And to a world record extent!
Just think, in the first 11 months of
1955 alone, 344,496 more people bought
Ford V-8's than the two other low-
priced competitive eights combined!

Of course, the reason the Ford V-8 is
the largest selling eight-cylinder car in
the world is that more people like its

brand of performance—the kind that
comes with the car!

These people aren't amateurs in
judging engines. Nearly 24 years of
building Ford V-8's to supply their
demand is convincing proof of that.

And the Ford V-8 of today is the best
yet . . . by a country mile!
Smoother and quieter—you can
scarcely hear it, even with the hood up!

	Car Sales	Ford Sales Leadership
FORD V-8	1,241,742

Safer—just ask the highway patrol
officer who drives one. He knows it
takes a Ford to catch a Ford!

And, for the very practical question
of durability—ask a Ford cab driver. He
knows how Fords take it days on end.
So, if it's performance that you want
—and wrapped like a gift—the '56
Ford V-8 is your baby.

Come in . . . try it today!

(28-29)

Offshore drilling operations in the Firth of Forth, off the east coast of Scotland, seek to prove a 6-billion ton coal reserve, a tonnage equal to the output of every Scot colliery for 250 years.

The world's largest coal stacker, used by Great Lakes Steel Corp., travels on concrete walls 10 feet above the yard level and stacks coal from lake vessels at the rate of 2,500 tons per hour.

It is becoming possible to remove overburden in surface mining of bituminous coal to depths approach 100 feet, a reflection of the great strides in mechanical equipment improvement.

Nearly 104,000,000 tons of coal go to produce the electricity needed annually by America's manufacturing industries, in addition to millions of tons for heat and process steam.

"I cook for you electrically—
for pennies a day!"

says "LITTLE BILL"
your electric friend

A complete dinner for 4 costs only pennies to prepare with a modern automatic electric range.

How we keep your electric bill down (while everything else goes up)

Although the cost of living has doubled, electricity today actually costs you less per kilowatt-hour than it did 25 years ago.

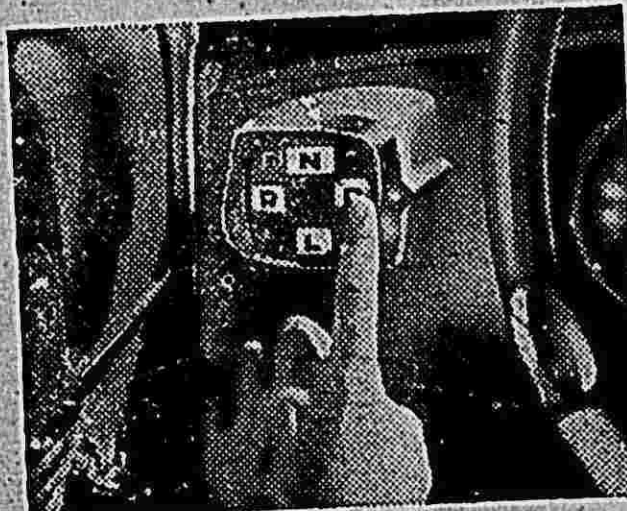

Commonwealth Edison helps keep your electricity bill down in many ways. Bills sent every two months

reduce costs of bookkeeping, meter reading and postage. These and other important "little savings" add up to lower cost electricity.

So today, while you use more electricity, you get more for your money (almost twice as much, in fact).

PUBLIC SERVICE COMPANY

WHY THE CHRYSLER WINDSOR V-8

Everything about driving a Chrysler is new! You touch a button on the left (and safe!) side . . . and Push-button PowerFlite, the smoothest of all transmissions, goes into action.

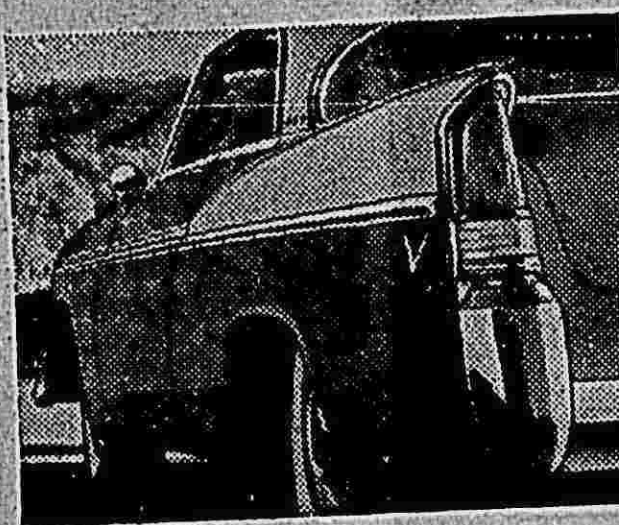

From four lengths behind to four lengths ahead of a moving truck going 40 m.p.h. in 8 seconds flat. That's the kind of reserve power you get in Chrysler's great airplane-type V-8 engine.

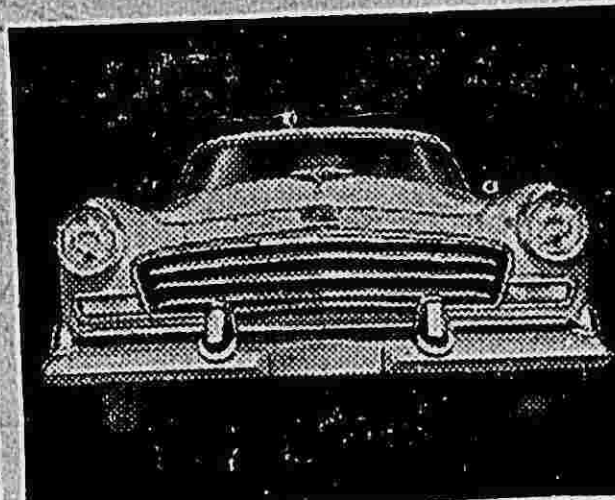

Full-time PowerPilot Steering does 80% of the work . . . gives you a cat-footed feel of the road every inch of the way . . . requires less pull . . . only 3 1/2 turns from full left to full right.

IS THE YEAR-AHEAD CAR

And talk about style! Here's the "PowerStyle" look that is showing its sassy tail to contemporary car designs. Isn't it time you compared a Chrysler with the other cars in its price class?

Best of all, you can own a bigger, more powerful Chrysler Windsor for the cost of a medium-priced car. Here is year-ahead value that means better re-sale value for years to come.

Library News

In "The World We Live In," the editors of Life Magazine have assembled a superb pictorial history of what man has learned about his home in the universe. From the study of the fossil found in a cave to the farthest star of the milky way, the book is a constant delight. Text and pictures explore the natural history of this our earth from the poles to the tropics with combined beauty and painstaking accuracy.

Seldom has the bookmaker's art been so glowingly displayed as in this beautiful volume. Frank C. Laubach has combined the work of the missionary with the work of the educator successfully for many years. His firm belief that knowledge is the greatest aid to faith is demonstrated in his activities and books aimed at obliterating illiteracy all over the world. His latest book, "Channels of Spiritual Power," explains by precept and by case histories how man may become a "channel" through which God floods man and the world with his love.

The above books were presented to the Antioch Township Library in memory of Mrs. Petty's parents, Mr. and Mrs. E. M. Murphy.

Coal's importance as a commodity in river traffic can be gauged by the fact that 23 of the 139 barge terminals on the 651-mile Tennessee river are for the exclusive handling of coal. Seven of the terminals handle coal bound only for electric utility boilers.

Nothing without wings climbs like a '56 Chevrolet!

The new '56 Chevrolet handles hills like they aren't even there! Aim it up a steep grade . . . and you'll see why it's the Pikes Peak record breaker!

Ever level off a mountain with your foot? Nothing to it. Just point this new '56 Chevy uphill and ease down on the gas.

Up you go with a quiet (hydraulic-hushed valve lifters now in all engines—V8 or 6) rush of power. This is the car, you know, that broke the Pikes Peak record. The car that conquered towering grades and vicious turns to prove its superior performance, handling ease and cornering ability.

These are built-in qualities that mean more driving pleasure and safety for you. Chevrolet also offers such safety features as seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

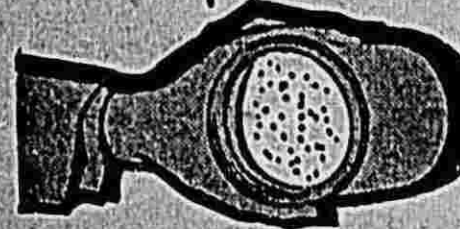

You've a choice of 19 frisky new Chevrolets all with Fisher Body and with horsepower ranging up to a new high of 205. Drop in, when you have a chance, and drive the new record breaker!

Health Talk

Your posture does show—and a number of things. Frequently it accounts for that backache you've been complaining about, the Educational Committee of the Illinois State Medical Society cautions in "Health Talk."

Your posture also shows your disposition. Feeling "out of sorts," irritable, and too tired to go about your daily activity? Your sagging posture may cause a sour disposition.

Nearly everyone was born with the basic foundation for a good posture, but through neglect, lack of proper supervision, and susceptibility to certain fads some persons develop a faulty posture.

Posture means the relationship of the various parts of the body, when standing, sitting, lying down, or moving.

With good posture, the inner organs of the body are permitted to function more efficiently with less strain, while poor posture places abnormal strain on muscles, joints and ligaments, which may produce disturbances of the chest, abdominal and pelvic organs.

Poor posture may be the result of such diseases as rickets, infantile

paralysis, tuberculosis, arthritis, and syphilis. It may also stem from poor vision, impaired hearing, deformities at birth and weakened foot arches. And then carelessness may be a factor in poor posture.

Good posture results in a well coordinated body balance. The feet, with toes pointed straight ahead, carry the weight evenly, lightly and with a certain "springiness." The head is up, the shoulders back and the stomach in. Somehow the walk of a person with good posture carries added characteristics—alertness and interest.

On the other hand, the person whose feet turn out in shuffled steps, whose shoulders sag, stomach bulges and whose head hangs suggests laziness and loss of interest.

Habits can be dangerous things. Carrying school books on the same side day in and day out may result in a sagging effect. Slumping in a chair is a bad habit. Better relaxation is achieved by sitting straight up with the tip of the spine resting against the back of the chair and letting the bone structure carry the sitting weight of the body. This position also gives the chest organs a better opportunity to function normally, as well as the abdominal muscles and organs.

The value of properly supervised training in physical education cannot be overlooked in developing a well-coordinated body balance, not only for students in grade classes, but for those in high school and college.

Bad postural habits can be corrected by concentrated effort. If you are inclined to cross your legs, see to it that you do not always cross the same leg. If you carry books or packages, shift them from side to side. In other words be posture conscious.

Have a physical examination to rule out any organic defect. Perhaps that fatigue that causes you to slump or "drag" about may be due to improper vision or inadequate nutrition.

In any event, check on it. Let your physician determine the causes. If you are organically sound, develop good walking, and sitting and standing habits. You'll look and feel better.

One take-off for traffic
-and two for the road

You ought to try Variable Pitch Dynaflo[®] NOW!

THE light is red and you're ready. It flashes green and you go—but *quick*.

And that's when you discover the Number One news about Buick's new Dynaflo...

That it gives you brilliant new getaway response for city traffic at only *part* throttle—even before you switch the pitch of this airplane-principled transmission. (And think of the big gas savings that means!)

Next comes the Number Two discovery—out on the road.

For here—still without switching the pitch—you have plenty more nimble acceleration to surge or spurt ahead, to climb hills, to do with almost effortless ease all the things normally called for by highway driving.

But comes an emergency—the need to get out of a tight spot—and you discover the Number Three news...

That you can do what a pilot does. That you can switch the pitch of your Dynaflo blades—just by flooring the pedal. And that you get, instantly, a full-power take-off from cruising pace—an electrifying burst of acceleration—the most thrilling safety measure on four wheels today.

This is performance too good to pass up—and you really ought to try it.

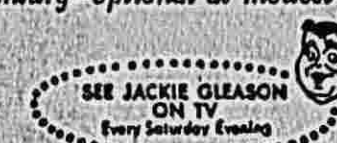

It's performance sparked by the whis-

pered might of big new 322-cubic-inch V8 engines raised to record highs in power and compression.

It's performance that goes with the best ride yet, the best handling yet, the best interiors yet, the best styling yet—and, literally, with the best Buick yet.

Come in and see—and be shown—and learn, in the doing, about prices that make these '56 Buicks the best buy yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

SOCIETY EVENTS

170 Attended Dinner of Antioch Lions Club at Glen Flora Country Club

An estimated 170 persons attended the Antioch Lions Club Ladies Night dinner at the Glen Flora Country Club in Waukegan Monday.

New officers were presented to the group by incoming president Louis Biel. Ted Larson, past president, presented service pins to Norman Jedele, past president; Elmer Baethke, past secretary; and Robert Lindblad, past treasurer.

The Eddie Rice trio with Priscilla Holbrook at the electric organ presented entertainment before and during the dinner. Julie Dawn sang. Music for dancing was furnished by Art Smejkal's orchestra.

W. S. C. S. TO MEET NEXT WEDNESDAY

A regular meeting of the Woman's Society of Christian Service of the Methodist church will be held February 1 at one p. m. at Wesley Hall. Mrs. W. K. Hills will lead the devotions. Mrs. John Quinn will speak on "United Nations." Mrs. William Petty and her committee will serve dessert luncheon.

WOMEN OF MOOSE TO ATTEND CONFERENCE

The Antioch chapter of Women of the Moose will participate in the mid-winter conference of the lodge at Zion Sunday.

The lodge at its meeting last week balloted favorably for five regular candidates, one home chapter and one transfer. The birthday march was played for Jane Verkest, Mildred Gillum, and Maud Johnson.

Refreshments were served by Child Care Chairman Arvis Nelson and her committee.

FIREMEN TO ENTERTAIN WIVES AT DINNER, FEB. 4

Members of the Antioch fire department will entertain their wives at dinner Saturday evening, Feb. 4 at the Norshore Resort. Plans for the event are in the hands of a committee comprising Otto Hanke, Jr., chairman, Leo Keisler, Vern Barnstable, Russell Stowe, and John Dupre. They will entertain as guests the members of the village board, officers of the fire district and their wives.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Donald Andersen announce the engagement of their daughter, Anna Louise, to David Lee Bushing, son of Mr. and Mrs. Raymond Bushing of Kenosha, Wis. They plan to be married February 4.

GIRL SCOUT NEWS

There will be an important council meeting for all registered adults in the Lakeside Girl Scout Council on Monday evening, at the Big Hollow School, Fox Lake. Everyone is urged to attend this mid-winter meeting to help decide several important issues.

Antioch
Intermediate Troop No. 5 of Antioch enjoyed a skating party recently on Lake Catherine. The girls were accompanied by their leader, Mrs. Anthony Scully, and co-leaders Mrs. Xavier Schimmel and Mrs. Harry Miller.

The girls discussed and observed proper safety precautions on the ice. After an enjoyable time skating, the girls were served hot chocolate and cookies in the home of Mrs. Clarence Gibbons. Judy Densmore, a new scout with the troop, was happily surprised when the troop formed a friendship circle around her and sang "Happy Birthday."

Emmons
School Intermediate troop also took advantage of the fine weather to enjoy a skating party on Bluff Lake, chaperoned by their leader, Mrs. Robert Duha, and co-leaders Mrs. Maynard Schneider and Mrs. James Balsamello.

Janice Duha, Terri Gallagher and Karen Lightsey passed some of their requirements for the skating badge. After the skating party everyone enjoyed hot cocoa and cookies in the home of Mrs. Duha.

E. M. Cain of Corning, Iowa, is visiting his son, M. C. Cain while recuperating from a recent illness.

Home Bureau Elects Officers

The Lakes Region Home Bureau, meeting Wednesday, Jan. 18 at the home of Mrs. Delbert Sherwood at Lake Villa, chose as its officers for the year, Mrs. Sherwood, president; Mrs. Lawrence Thayer, vice president; Mrs. Dudley Kennedy, secretary; and Mrs. Gordon Volling, treasurer. With the exception of Mrs. Sherwood all are Antioch residents.

Mr. and Mrs. Wendell Nelson and Mr. and Mrs. Kenneth Kirchmeyer left Monday for Miami, Fla., from which port they will embark on a 17-day cruise to the West Indies, stopping at Jamaica, Trinidad, Martinique. They will also go to Panama and South America. They plan to return to Miami for a short stay and then return home Feb. 22.

The Ozarks were too cold as fishing grounds two weeks ago, for George Borovicka, local druggist, who last week returned and took Mrs. Borovicka and Harlo Cribb to Florida for a two-week fishing trip. They went by way of New Orleans and this week are at Dunedin, Fla.

Mrs. Elmer Baethke had as her guest over the weekend, her sister, Mrs. J. E. Morris of Minneapolis, Minn.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. William Gray, of Ida Ave., announce the engagement of their daughter, Sharon Irene, to Paul Martin, son of Mrs. Carl Gustafson of Sault Ste. Marie, Mich. No wedding date has been set.

Cub Scout News

The January meeting of Antioch Cub Scout Pack 92 was held on Friday evening, January 20, at Wesley Hall. Cub Scout handicraft was displayed and skits were presented by several dens featuring the monthly theme "Pirate Waters." Refreshments were served by the mothers of Dens 5 and 7.

Various promotional awards were distributed and five boys who have attained the Webelos rank were graduated into Boy Scout Troops 91 and 92. The graduation consisted of an impressive candlelight ceremony after which the boys were officially welcomed into their respective troops by Scoutmasters Jim Horton (Troop 92) and Assistant Scoutmaster Ray Glassman (Troop 91). James Gibson, Donald Verkest and Gerald Jacobs will be entering Troop 92 and David Vos and Wayne Bentel, Troop 91. Other Achievement awards presented were as follows:

Wolf badge: Don Woods and Michael Verkest.
Bear badge: Ernest Westlund, John Hendricksen, Kenneth Larson, Ronald Taylor, and Stephen Delaney.

Lion badge: Richard Good, Ronald Van Rooyen, Donald Verkest, Gerald Jacobs, and Paul Ferris.

Arrows under Wolf badge: Kenneth Larson—gold and silver.

Arrows under Bear badge: Jerry Berke, gold and silver, and Eddie Jahneke—gold and silver.

Arrows under Lion badge: Wayne Bentel—gold and silver.

Gold and silver arrow points are awarded for the performance of additional achievements over and above those required for the basic badges.

On Saturday, Jan. 21, Charles Smith, cubmaster, and Leylon Ipsen, assistant cubmaster, participated in a Den Chief's Conference conducted by the North Shore Area Council at Immaculate Conception church in Highland Park.

Accompanying the leaders were Charles Smith, Jr., Bill Wolfenbarger, Bob Barnstable and Reggie Petersen of Troop 91 and Doug Jacobs, Ronnie Hanson and Mike Mortensen of Troop 92. Also present were Jim Horton, Scoutmaster of 92 and Bill Ludford and Vince Nauseda, Committeemen of 91.

The conference was designed primarily as a training course to insure effective performance of den chiefs in their relationship with the cub scout pack. The program consisted of instructional talks given by various North Shore Area Council and various special features including leadership training for the Scouts in conducting games, community singing, tricks, and ceremonies.

Rebekah Lodge Installs Officers for New Year

Lakeside Rebekah lodge No. 82 held its installation of officers at 8 p. m. Wednesday, Jan. 18.

Those installed were: Berneice Clark, noble grand; Goldie Stillson, vice grand; Clare Horton, recording secretary; Mary Ellis, financial secretary; Maude Johnson, treasurer; Louise Ekke, warden; Zella Larson, conductor; Frieda Wertz, chaplain; Deborah Van Patten, musician.

Eva Gaylord, right supporter to the noble grand; Katherine Dibble, left supporter to the noble grand; Carolyn Horan, right supporter to the vice grand; Tillie Miller, left supporter to the vice grand; Mary Runyard, inside guardian; and Jessie Runyard, outside guardian.

Hortense Gordon was the outgoing noble grand and was installed as the past grand. Refreshments were served by the 1955 corps of officers.

Prince of Peace A and R To Meet Feb. 1 at L. Villa

The Altar and Rosary Society of the Prince of Peace Catholic church will hold its meeting Wednesday, Feb. 1 at the Lake Villa village hall at 8 p. m.

The chairman of Entertainment and Refreshments is Mrs. Charles Thomas. Co-workers are Mesdames E. L. Koenig, Ebba Huber, J. A. Selzer, Sam Krakowski, Henry Bailitz, and E. R. Gleinecke. Guest speaker for the evening will be Fr. David Lynch who will give a talk on Lent, followed by an open discussion on the meaning of Lent.

Parents of Daughter

Mr. and Mrs. Richard Huml of Lake Marie are receiving congratulations on the birth of a baby daughter, "Mary Jo", born Wednesday at St. Therese hospital. The Humls have five sons.

Mary Herman and Judie Romer, students in home economics at the University of Illinois, will address students at Antioch Township High school between college semesters, Jan. 30 and Feb. 3 on their experience as college students and the advantages of training in home economics.

Millburn

Mrs. Corena Edwards, Correspondent
Phone Eliot 6-3323

Regular services at Millburn Congregational church Jan. 29 include Sunday School at 9:45 a. m. and church services at 11 a. m. at the morning service, communion will be observed and the public address system will be dedicated.

The members of the Pilgrim Fellowship are invited to a rally at Waukegan at 4 p. m. Sunday afternoon.

The Study Group will meet with Mrs. Bert Doolittle at Hickory Thursday, Jan. 26, from 9 a. m. to 11 a. m.

The Couples Club met at the church last Tuesday evening with twenty-five members and one guest. A very enjoyable evening was spent in playing bingo. Hosts were Mr. and Mrs. James Foster and Mr. and Mrs. Merrill Lewin.

Rev. and Mrs. L. H. Messersmith, Mrs. Verlon Groves, Mrs. Herbert Messner, Norma Welch and Chloe Diedrich attended "open house" at the Mundelein Congregational church for the Rev. Sampson and family who are leaving for their new home in Lombard, Ill.

Mr. and Mrs. Frank Hauser spent Wednesday evening with their daughter and family, Mr. and Mrs. Orville Hairrell, Jr., of Waukegan.

Mr. and Mrs. Eddie Hoffman spent Thursday with their son, Richard, at Michael Reese hospital in Chicago.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Saturday afternoon.

Mr. and Mrs. Walter Fontaine spent a few days at the Raymond Hauser home at Stevenson, Mich.

Mr. and Mrs. Clarence Hauser of Paris Corners and Mr. and Mrs. Elmer Hauser and family of Hickory were callers at the Frank Hauser home Sunday afternoon.

Earl Crawford moved to his new home in Antioch Saturday.

The Millburn Maidens 4-H Club held their first meeting of the year at the home of their leader, Mrs. W. H. Paulsen, on Monday, Jan. 16. The club members decided to take for their project Outdoor Cooking.

Any girl, 10 years or older in this area is invited to join. Many plans were made for the coming year. Election of officers will be held at the Feb. 20th meeting. Mrs. Lloyd Stephens and Mrs. Homer White were introduced to the children as assistant leaders.

Millburn Unit of Home Bureau met at the home of Mrs. Don Holem Friday afternoon with seven members and one guest, Mrs. C. P. Weber were present. Mrs. Maureen McCarty gave the major lesson, "Pots and Pans for Cooking."

Mr. and Mrs. Charles Lucas spent Thursday evening at the Robert Nelson home in Round Lake.

Twenty-one members of the Ladies Aid and neighbors met at the church last Thursday to sew for the fall bazaar.

An Open Letter To The Residents Of Antioch Township

Dear Fellow Residents:

The Community Service Corporation will start its Bond Sales Canvass Friday night, January 27th for funds to construct a modern, sanitary swimming pool for our area.

Brochures have been mailed and if you have not received yours, one can be obtained at the State Bank of Antioch or at the Antioch News Office. Considerable information is contained in the brochure. Read it carefully and you will find answers to many questions.

A well organized group of canvassers has been formed. We sincerely ask that you give the sales people who call on you a short period of your time to explain details of the project.

You, as a loyal member of the community are a part of the project.

IT IS A LARGE PROJECT!

IT IS A UNIQUE PROJECT—We ask no Federal, State or County aid. We are a community doing a job for ourselves. We are doing a job in which we loan our money to ourselves at 4 per cent interest so that we can give our children needed instruction in swimming. We are doing a job to provide a wholesome recreation center for all our people.

We know that we will be successful and that the Antioch Aqua Center will prove to be a valuable asset for our community.

WE NEED AND ASK YOUR HELP!

In our great effort you find FAITH.

FAITH in ourselves. FAITH in our project. FAITH in our people.

In our great effort you find LOYALTY.

LOYALTY to OUR COMMUNITY.

In our great effort you find COURAGE!

COURAGE to "carry on" with FAITH!

COURAGE to overcome all obstacles to reach our objective.

Respectfully yours,

George W. Jensen
President Antioch Lions Club
Community Service Corporation

QUESTIONS AND ANSWERS CONCERNING THE SWIMMING POOL . . .

WILL THE EXPENSE OF CONSTRUCTION AND OPERATION OF THE POOL INCREASE OUR TAXES?

NO. Community pools are able to be maintained and operated on the admission fees that are charged on a basis consistent with retiring bonds annually.

WOULD AN INDOOR POOL BE MORE SUITABLE THAN AN OUTDOOR POOL?

NO. An outdoor pool is more desirable for several reasons. An indoor pool would cost three or four times as much as an outdoor pool. Cost of operation of an indoor pool is also several times greater. Study has shown that most indoor pools are money-losers because of the high cost and also the fact that they are not patronized sufficiently.

IS A HOSPITAL NEEDED MORE THAN A SWIMMING POOL?

There is need for a hospital in the western part of Lake County; however, a study of the problem has shown that at least \$1,500,000.00 would be needed to start such a project.

WHY WAS THE 35' x 100 FT. SIZE CHOSEN FOR OUR POOL?

The particular size and shape of the pool was decided upon after an exhaustive study of all aspects of the question. A rectangular pool was chosen because this design provides the largest percentage of most-used shallow water. Size of the pool was regulated by the estimated need of our community. State requirements for pools require that all water contained in the pool be filtered each 6 hours, thus costly filters and pumping equipment can be kept to a minimum by a low cubic content in the pool design.

WILL THE POOL BE ADEQUATE IN SIZE TO MEET FUTURE NEEDS OF ANTIOCH COMMUNITY?

Research has been conducted which indicates that the pool will be adequate for our community's future needs.

WHAT WILL BE THE CAPACITY PER DAY?

The pool will handle 1000 to 1200 swimmers daily.

WILL THERE BE FACILITIES FOR INSTRUCTION?

One of the most important features of the pool is the opportunity to train our youngsters in swimming and

safety in the water. The American Red Cross has already offered to supervise a training program.

WILL IT BE SUITABLE FOR COMPETITIVE SWIMMING AND AQUATIC EVENTS?

The pool will be adequate in size to meet American Athletic Union specifications for competition in addition to other swimming events.

WILL THE POOL COMPLY WITH ALL STATE DEPARTMENT OF HEALTH REGULATIONS FOR PUBLIC POOLS?

Yes. The pool will exceed all state requirements. Minimum depth, maximum depth, and filtration equipment will all be more than required.

WHAT FACILITIES WILL BE PROVIDED FOR PRE-SWIMMING AGE CHILDREN?

A wading pool of adequate size will be provided.

WHAT PROVISION FOR NIGHT SWIMMING HAS BEEN MADE?

Lighting, both underwater and overhead will be provided.

ARE PARKING AREAS TO BE AVAILABLE?

Ample parking areas to the west of the pool will be provided.

WILL THE POOL OVERTAX OUR PRESENT WATER SUPPLY?

No. Assurance has been given by the Village of Antioch water department that our present water supply will be entirely adequate.

WHAT IS THE AMOUNT NEEDED TO BE RAISED?

It is the considered opinion of the committee that the pool and bathhouse with complete facilities can be constructed for \$70,000.

HOW WILL THIS MONEY BE RAISED?

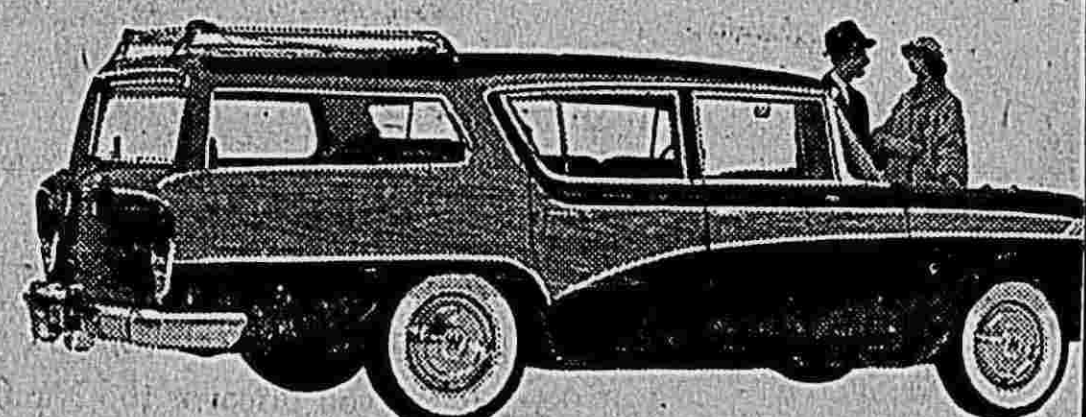

It will be raised by the sale of revenue bonds. These bonds will bear interest at the rate of 4% annually, and will mature in twenty years.

WHEN WILL THE POOL BE READY FOR USE?

The committee is working toward a goal of completion of the project by June 1, 1956.

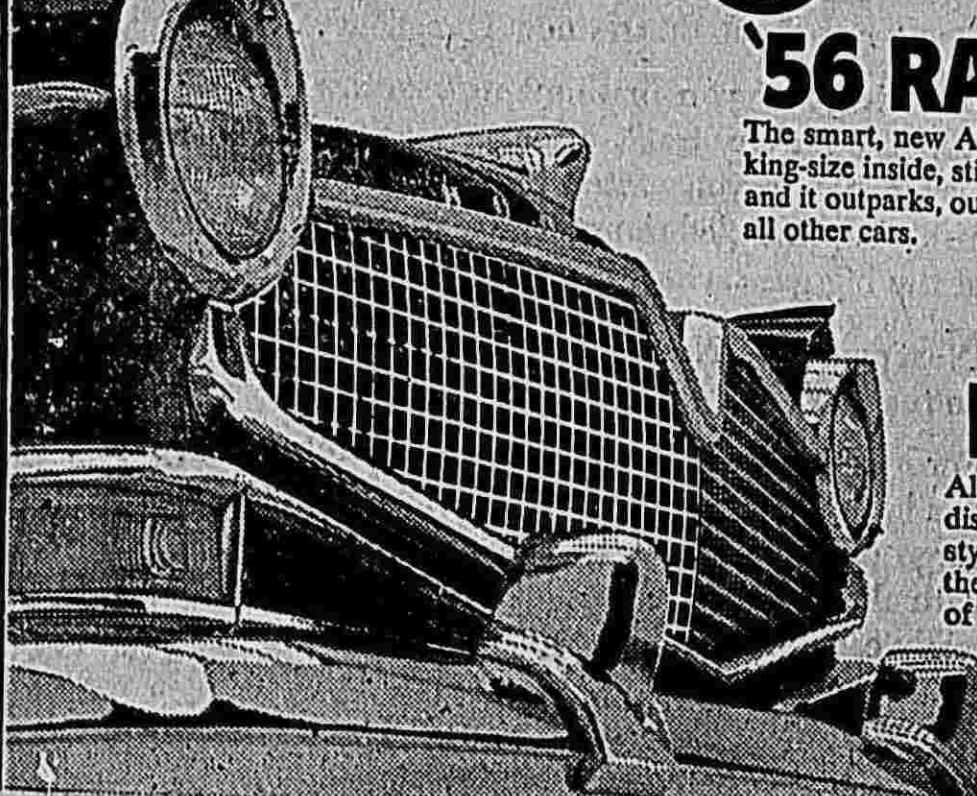

See the Two Most Exciting, New '56 Cars at Your HUDSON Dealer's Now

Products of American Motors

'56 RAMBLER

The smart, new All-American Rambler is king-size inside, still Rambler-size outside, and it outparks, outmaneuvers, outhandles all other cars.

'56 HORNET

Alive with new V-8 power, distinctive with new V-Line styling, it's more than ever, the most beautiful performer of them all.

Large Attendance....

(continued from page 1)

vice Corp., or Norman Jedele, treasurer.

The details of the project as published last week by the Antioch News, and revealed in the brochure brought a favorable response. The promoters don't expect much difficulty in selling the bonds.

The public relations committee, composed of Attorney Ted Larson and Dr. James Kopriva, has not been able to present plans for the campaign to all organizations of the community due to the difficulty of scheduling meetings, but they will appear before several organizations during the next few days. Any persons or organizations interested in the pool projects are invited to attend the meeting Friday evening.

Auxiliary News

At the last stated business meeting, Mrs. Mary Ellis, rehabilitation chairman for Antioch Unit, American Legion Auxiliary gave her report for the past six months of all the monetary donations to the various hospital funds and contributions of books, magazines, carpet rags, candy bars, Christmas cards, cosmetics, jig saw puzzles and tray favors. Cash donations totaled a sum of \$168. Credit value of other contributions totaled \$210. Several members of the Auxiliary made many trips to Downey to help wrap Christmas gifts and sew name labels in clothing.

Next Regular Meeting

The next regular meeting of Antioch Unit will be held in the Legion Home Friday, Jan. 27th at 8 p. m. This will be a business and social meeting.

Deadline on Report Nears

District Director Robert H. Robinson of the Immigration and Naturalization Service said today aliens in Illinois have only five more days in which to comply with the Federal law requiring that they report their address to the Government during January of each year.

The immigration official urged all aliens who have not yet complied to go as soon as possible to the nearest Post Office or Immigration Service office to file the report.

Milk Supply Elsewhere

The answer to inquiry as to why the Willowdale Dairy containers are not being dispensed at the milk vending machines throughout Lake county is that the Antioch firm is no longer supplying the milk. It is being supplied by a Chicago firm headed by a relative of the manager of the local dairy firm.

Two Hurt in Car Crash

The Antioch Rescue squad gave first aid to two motorists injured in an accident at Loon Lake rd. and Rte. 21 Tuesday evening.

Brought to a local physician for care was Keith Wadleigh, 19, Chicago, who suffered a head injury. Also treated was Peter Kisel, 43, of the YMCA Camp near Lake Villa.

Attend Chicago Meeting

Phyllis Pincombe, worthy advisor of the Antioch Order of Rainbow for Girls, Marilu Bushing, worthy advisor elect; Marion Stowe, charity; and Eleanor Storch, hope, participated in a program at the 35th anniversary of Boy Builders organization in Chicago Saturday.

The local assembly initiated six candidates Monday.

Meves-Bachmann Engagement Announced

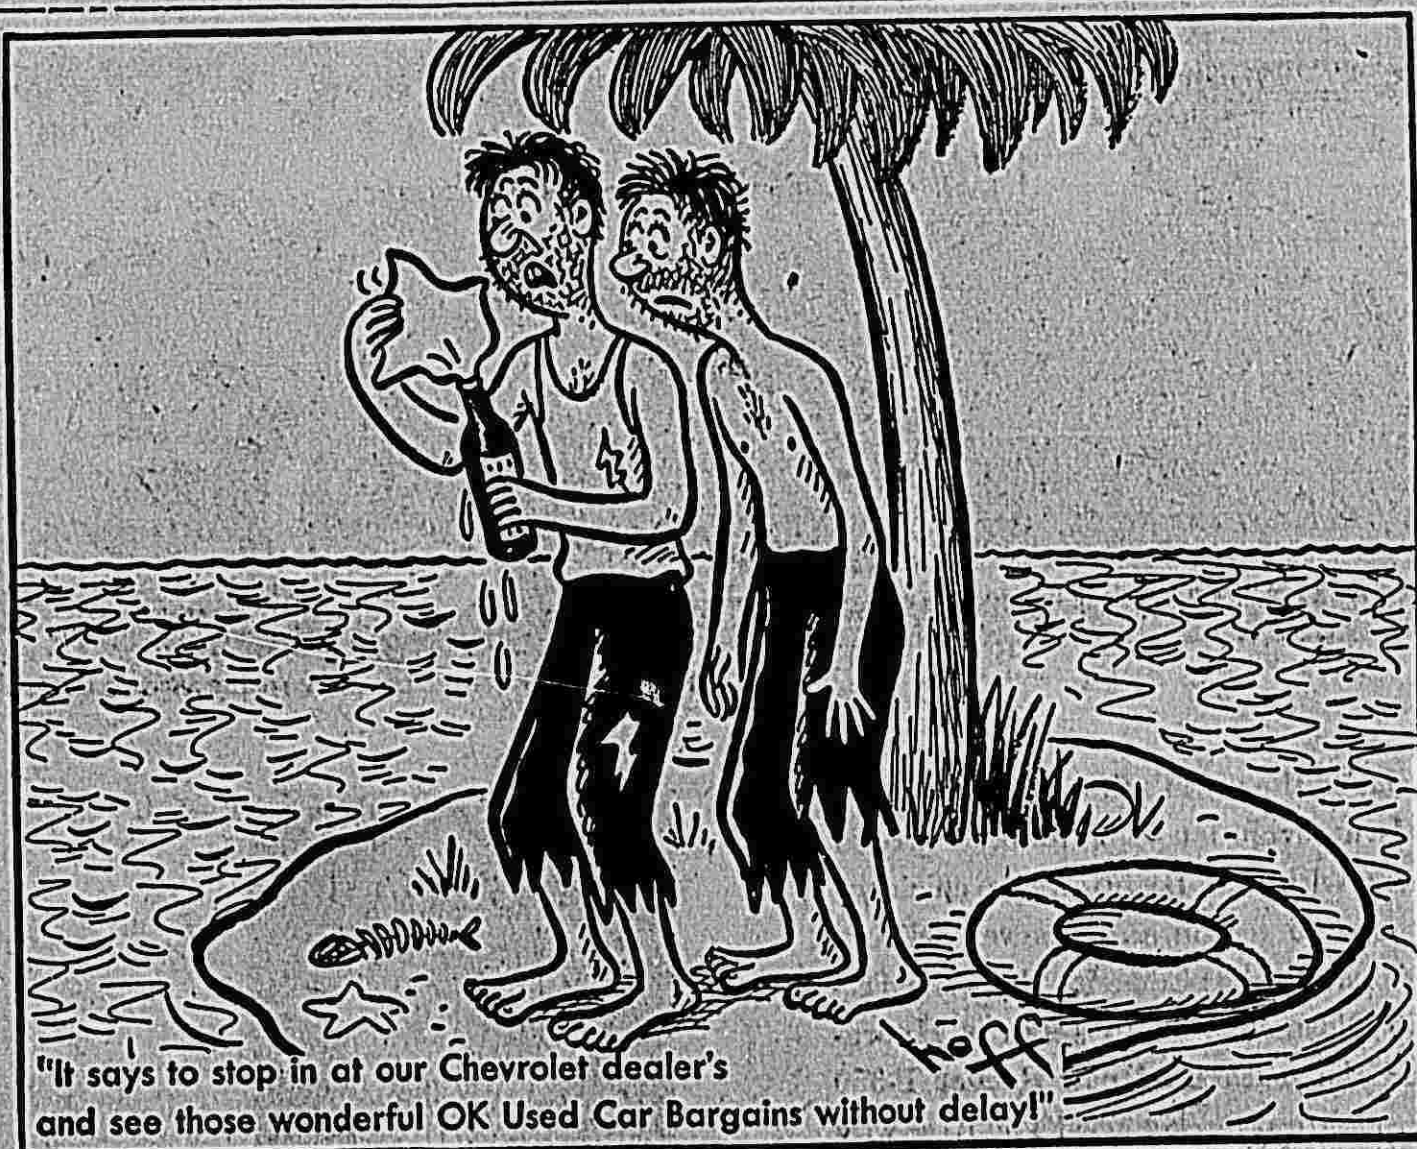

Miss Gerda Antja Meves' engagement to Raymond W. Bachmann of Lake Villa has been announced by her parents, Mr. and Mrs. Hans Meves of South Colfax Ave., Chicago. The wedding will take place February 18, followed by a reception at the South Shore hotel.

Deep Lake

Mrs. Millie Luehr, Correspondent
Ellet 6-4946

Mrs. Shirley Carlson and Mrs. Lee Stollenwerk were luncheon guests of Mrs. Lorraine Saverson, Petite Lake rd., last Thursday. They did a lot of reminiscing over the coffee cups.

The Ladies' Auxiliary met at the home of Lee Stollenwerk. Hostesses for the evening were Lee Stollenwerk and Doris Metz. The auxiliary donated \$10.00 to Condell Memorial hospital and \$5.00 to the Polio fund.

Mrs. Bertha Larson is back from Appleton, Wis., after spending 5 weeks with her daughter and family, Mr. and Mrs. Bedard.

Kay Stollenwerk is coming home Thursday to spend several days with her folks. She attends Illinois State Normal university. This is a between semesters vacation.

Mr. and Mrs. Joe Jaliske were guests of Mr. and Mrs. Frank Luehr Sunday, also Mr. and Mrs. Harold Severson and Susie and Billie, their grandchildren, whom they are always happy to see.

Helen Voss is in Chicago. She attended the christening of her two grandsons and then visited with her daughter, Bonnie Raven in Elmhurst.

Wilmot

Mrs. Herman Frank, Correspondent
Tel. Trevor 2752

Mmes. Herman Flegel, William Harms, Herman Frank, Martin Hoffman, Ralph Kerkman, Oscar Yanke, August Schultz, Bert Dean and Roy Swenson celebrated Mrs. Fred Volbrecht's birthday Wednesday afternoon at her home at Bassett.

Mrs. Ben Elverman entertained her Jolly Eight club Monday evening. Prizes were awarded to Mrs. Ben Elverman, Mrs. Frank Zarnstorff, Sr., and Mrs. Henry Daniels.

Harold Marcussen, Russell Gandt, Donald Schubert, Herman Frank and Richard, Mr. and Mrs. Louis Gandt, Sr., spent the week-end at Lake McKenzie fishing.

Ellen and Elizabeth Blerdz, Silver Lake, are spending a week with Misses Grace and Erminie Carey and the week-ends with Mr. and Mrs. James Carey.

Mr. and Mrs. Richard Carey and family, McHenry spent Sunday with Misses Grace and Erminie Carey. Mrs. Barbara McRae, Kenosha, spent the past week with Mr. and Mrs. Harvey Brown.

Mr. and Mrs. Earl Hyde, Genoa City, spent Sunday with Mr. and Mrs. Frank Kruckman.

Adolph and Hannah Neuman, Racine were Sunday supper guests of Mr. and Mrs. Gust Neuman.

Mr. and Mrs. Ervin Rasch and family spent Sunday with Mr. and Mrs. William Bullamore, Kenosha.

Mr. and Mrs. Fred Gauger, Janesville, spent Sunday afternoon with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. Mike Seitz, Rose and Arlean attended a miscellaneous shower Saturday evening at Fox River Winter Gardens in honor of Dorothea Meyers and Eugene Ehlen.

Mr. and Mrs. Roy Jensen and family, Racine, spent Thursday evening at the Floyd Gauger, Sr., Robert St. John home.

Mr. and Mrs. John Gyger and family, Libertyville, Mr. and Mrs. Ray Panzer and family, Gurnee, Ill., were Sunday supper guests at the Floyd Gyger, Sr.-Robert St. John home. Mr. and Mrs. Ray Hirschmiller and Judy were evening callers.

The Methodist Guild will have a card party Feb. 4, 8 p. m. at the Wilmot High school. The public is invited.

Mr. and Mrs. Geoffrey Goulding attended the Snap-On banquet at Kenosha Saturday evening.

Salem

Mrs. Byron Patrick, Correspondent
Tel. Bristol 110-F22

Mrs. Arthur Bloss, Jr., and Miss Olive Hope spent Wednesday in Milwaukee.

Byron Patrick attended a Chevrolet meeting in Milwaukee on Tuesday.

Mr. and Mrs. E. H. Hartnell, Mrs. Minor Hartnell and Mrs. George Biemer drove to Madison on Wednesday to visit George Biemer, who is a patient at Madison General hospital. On Monday Mr. and Mrs.

Ernest Schatten and Mr. and Mrs. Lee DeBell visited Mr. Biemer. Mr. and Mrs. Milton Patrick and Mrs. Robert Imrie called on Mrs. Byron Patrick Friday afternoon.

Miss Jessie Loescher is spending some time with Mrs. Ethel Oakfield of LaGrange, Ill.

Clarence Cook left for California where he will spend a few weeks visiting friends and relatives.

Mr. and Mrs. William Schultz are on a vacation trip to Florida and other places of interest.

Mr. Alfred Schultz and a group of friends are in Canada on a fishing trip.

Mrs. Alfred Schmidt and Mrs.

Gilbert Tuttle spent Tuesday and Wednesday in Milwaukee getting instructions on textile painting for 4-H Club work.

Mrs. Bessie Elkerton of Antioch spent Sunday at the Charlotte Bloss home.

More than 62,000,000 tons of coal are burned each year to produce the electric power needed by four leading industries, the chemical companies, primary metals, the stone, clay and glass products group, and paper and allied products.

Mummified Insects Preserved Over 60 Million Years

BERKELEY, Calif.—The oldest mummified insects yet discovered have been brought to Berkeley by two University of California scientists. Preserved in amber over 60 million years, the insects are expected to contribute to man's knowledge of insect evolution.

Entomologists Robert L. Usinger and Ray F. Smith found the specimens—six braconid wasps—during a summer trip to Alaska. The trip was sponsored by the Arctic Institute of North America in co-operation with the Office of Naval Research.

Smith and Usinger found the perfectly preserved wasps in amber they collected along the Colville and Kuk rivers some 150 miles above the Arctic Circle. Alaskan amber dates from the Cretaceous Period, toward the end of the Mesozoic Era. This was the end of the age of dinosaurs and the time when flowering plants first became abundant on earth.

Studies of the six wasps and others that may be found in the amber should help unveil the beginnings of the first great evolution of modern insects accompanying the growth of flowering plants, according to E. Gorton Linsley, chairman of the U. C. department of entomology and parasitology.

Safer Cars Still Need Safe Drivers

MINNEAPOLIS—In spite of a long series of valuable safety improvements made in automobiles, such devices have had little effect on the 20 per cent of drivers who cause 80 per cent of the highway accidents.

This deadly segment of drivers, termed "accident prone" by safety experts, nearly always run twin records as repeaters—records of repeated safety law violations coupled with records of repeated accidents—until they die or are stopped from driving.

Statistics show that 78 per cent of all traffic accidents occur in clear weather, 70 per cent occur on dry road surfaces, 77 per cent on straight stretches of road. In 70 per cent of all fatal crashes, one or both drivers have violated one or more safety laws. Of some 4,000 auto-train collisions per year, 40 per cent occur at crossings guarded by watchmen, closed gates, or special warning devices which blink red lights, sound gongs, or do both at once.

Thus only a small fraction of our traffic accidents "happen"; the rest are strictly man-made.

Shakespeare's Verona Still Proud of Juliet

WASHINGTON—One thousand American GI's recently arrived in Italy took time to brush up on their Shakespeare. They are stationed in Verona, of "Romeo and Juliet" fame.

Nestling in the foothills of the Alps, the beautiful city contains what is claimed to be Juliet's tomb. This and the "home" of Juliet are proudly preserved and exhibited by the citizens of Verona.

The city exhibits the Capulet house as the place where Juliet languished and a guard authoritatively points out a pink marble balcony as the one from which she heard Romeo's wooing.

Although Romeo's home still stands in Verona, its bad state of repair may reflect the townfolk's low opinion of him. There are some who imply that he two-timed Juliet. Many Veronese name their daughters after Juliet, but Romeo is not a favored name for boys.

Stringy Bread Not Grounds for Suit

LONDON—Nothing so terrible about a little old piece of string in your bread.

No real cause here to take the baker into court, England's Lord Chief Justice Goddard ruled.

Turner & Son, Ltd., appealed from a Nottingham magistrate's decision that because a customer had found a bit of string in his loaf, the bread was "unfit for human consumption."

Lord Goddard quashed the conviction, commenting:

"A little piece of string does not hurt anybody. All they have to do is pull it out or spit it out."

Pete's Some Talker

NEW RICHMOND, Wis.—Pete Blankenheim, barber, likes plenty of conversation from his customers and likes to talk himself.

In Pete's shop is this sign: Haircuts, 50 cents; conversation, 75 cents; haircuts without conversation, \$1.75.

Blankenheim says he won't 50 cents extra "to keep me shut up."

Mrs. C. B. Hamlin, Correspondent
Tel. Eliot 6-3344

The Official Board of the Community church met at the church on Monday evening and the Pastoral Relations committee met Wednesday evening at 7:45. Rev. Plummer will be in the pulpit next Sunday morning at 11 a. m.

Circle 1 of Woman's Society of Christian Service met at the church at noon on Wednesday this week for a farewell party for Mrs. Plummer. This will take the place of the meeting usually held on the first Wednesday in February. Mrs. John Perry and Mrs. Ruth Erickson were hostesses.

The Junior choir directed by Mrs. Warren Brown added much to last Sunday's service at the Community church at 11 a. m. Mrs. Brown was organist.

Mrs. B. J. Hooper entertained the ladies of the Past Matrons club of Millburn O. E. S. at her home last Thursday evening.

Mrs. Ben Cribb spent a couple of days last week with her aunt who is very ill at the Augustana hospital.

Cedar Lake Camp Royal Neighbors will hold open installation of officers at the Village hall on Tuesday evening, Jan. 31. Mrs. Georgia Avery will be the installing officer and Mrs. Marie Hamlin will be the ceremonial marshal.

Mrs. Fannie Kleinod of Crooked Lake Oaks, left last Friday to spend a month with her daughters in St. Louis and with friends in Florida.

The Woman's Society of Christian Service has just received a new stock of woven rugs which may be seen at the home of Mrs. C. B. Hamlin.

Mrs. Virginia Smith who has been with her niece, Mrs. H. Whittemore and family at Flossmoor for several weeks, came home last week to be at the Albert Kapple home. The Whittemores have moved to New York where Mr. Whittemore is with a business concern.

Mrs. Bob Madsen is a patient at Condell hospital at Libertyville and her mother came from Detroit to care for the children.

Bob Hamlin, a senior at St. Bede's Academy at Peru, Ill., spent the week end with his parents, Mr. and Mrs. Lester Hamlin.

Mr. and Mrs. Nathan Beiser announce the birth of their second son, at St. Therese hospital on Friday, Jan. 20. The little boy also has a sister.

Mr. and Mrs. Oliver Walker entertained the George Walker and

Everett Lucas families of Libertyville and the Edward Walker family of Long Lake at their home Saturday evening in honor of their daughter Joan's second birthday. Mr. and Mrs. Kenneth Halvorsen

and children are with their grandparents, Mr. and Mrs. Arthur Evans for a few weeks while their home at Wonder Lake is being finished. They have been living at Hampshire, Ill.

Here They Are!

New Chevrolet Task-Force Trucks for '56!

Now there are more reasons than ever why
anything less is an old-fashioned truck!

An automatic transmission for every series! A super-efficient, short-stroke V8 for every model! Higher powered, higher compression 6's! New, higher capacity! Come in and see all the new things that'll whittle down hauling time and slice your costs!

New '56 Chevrolet trucks offer still more modern Task-Force advantages!

They bring you new power—a short-stroke V8* for every model, and higher compression 6's that pack a bigger power punch than ever!

And you can haul bigger loads! These

new Chevrolet trucks are rated up to a hefty 19,500-lb. G.V.W.

Then there's an automatic transmission for every series—a wider range of Hydramatic models, plus Powermatic*, a new six-speed heavy-duty automatic.

Come on in, soon, and look 'em over!

Fast Facts About New '56 Task-Force Trucks

HIGH-LEVEL VENTILATION AND CONCEALED SAFETY STEPS!

AN AUTOMATIC DRIVE FOR EVERY SERIES!

GREAT NEW FIVE-SPEED SYNCHRO-MESH TRANSMISSION!

*V8 standard in L.C.F. models, an extra-cost option in all other models. *Optional at extra cost in a wide range of models.

A MODERN, SHORT-STROKE V8 FOR EVERY MODEL!

MORE POWERFUL VALVE-IN-HEAD SIXES!

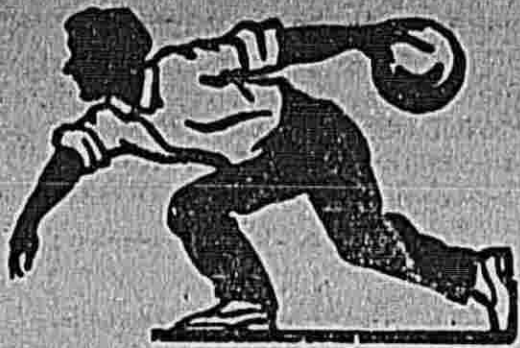

TUBELESS TIRES, STANDARD ON ALL MODELS!

FRESH, FUNCTIONAL WORK STYLING!

January 19

Antioch Milling Co. took high team series with games of 848-980-882-2710 total.

B. Noble was high individual scorer with games of 207-195-215-617 total.

Antioch Milling Co. beat Merry-Go-Round Bakery all three games.

February Is "Navy Sign Up Month"

SPRINGFIELD, ILL. (FHTNC)—Governor William G. Stratton, noting that the State of Illinois "has always played a prominent role in the history of the U. S. Navy," January 19 signed a proclamation declaring the month of February "Navy Sign Up Month" in Illinois. Commander H. L. Walliszewski, USN, Illinois Task Group Commander for Operation Sign Up, later accepted the proclamation in the ceremony at Springfield. Governor Stratton called upon all Illinois residents to assist the Navy in its national drive for more volunteers in every way possible.

Lasco's Greenhouse beat Lake Villa Lumber Co. all three games. Dick's Tree Service also took all three games from Truax Trucking. Drije Chevrolet took two games from Salem Business Men. Cermak's Real Estate won two games from Carey Electric. King's Drug store won two games from Ray's Shell Station.

STAR CHIEF TWO-DOOR CATALINA

The car says GO and the price won't stop you!

Puts more Power where it Counts!

The Secret of Pontiac's Blazing Go Is in the Teamwork of Two Engineering Masterpieces

They were born to go together, these two—the mighty *Strato-Streak V-8 engine* and the revolutionary new *Strato-Flight Hydra-Matic*.*

You can feel the difference . . . actually feel it. Feel it in the response—quick as the flick of an eyelash. Feel it in the tremendous thrust

—oil smooth and effortless. And feel it in that breath-taking, almost unbelievable extra burst for the split-second sprint to safety past slow-moving traffic in your path.

Here is power and go you dream about . . . but this time it's real, because you're piloting the most modern power combination on the road.

A new engine: the brilliant *Strato-Streak V-8* with almost 317 cubic inches of displacement for barrel-chested deep breathing . . . with a super-efficient 8.9 to 1 compression ratio to squeeze all the go out of every drop of gas . . . with high torque for sizzling take-off . . . with a blazing 227 horsepower!

A new transmission: an engineering masterpiece specifically designed to utilize the full thrust of that great engine . . . with gears for instant response and crisp, positive acceleration . . . and an amazing liquid-link coupling for a silky-smooth flow of power to the rear wheels.

Test drive this fabulous '56 Pontiac tomorrow—we promise you, you're in for a thrill!

And another thrill is waiting for you when you hear the price! See your Pontiac dealer soon—make it a special point to do it—and get ready for two wonderful discoveries!

*An extra-cost option.

Over \$700 Billions In 10 Years for Tangible Wealth

NEW YORK—A spectacular increase in the people's material possessions and in the nation's over-all stock of privately-owned capital assets has gone hand in hand over the last decade with the great growth of the American economy, now some fourth-fifths bigger than it was at the end of World War II in gross national product.

An analysis of figures compiled by the U. S. Department of Commerce shows that a vast sum adding up to more than \$700 billions has been spent by the people and by business since the beginning of 1946 to expand their tangible wealth in the form of producers' and consumers' durable goods.

For the 1946-55 period as a whole, these figures break down into three broad components as follows:

A total of more than \$340 billions in business investment, predominantly in new plant and equipment, commercial construction and inventories.

Close to \$260 billions in consumer durable goods, of which automobiles represent nearly one-third; and

More than \$100 billions in residential nonfarm housing.

This accomplishment in such a comparatively short space of time is without parallel in the history of this or any other nation. It is indicative of the stimulating force of credit and investment on American economic growth and progress, and testifies to the effectiveness with which the capital market, aided by the people's thrift institutions, has supplied the need for lendable funds.

Typical U. S. Wife Young, Busy Mother

NEW YORK—How do you describe the typical American wife? With data supplied largely by the Bureau of the Census, some enterprising statisticians say she is: very young; lives in an urban area (not with in-laws or other relatives); and is quite busy raising a family.

As to age, almost two-fifths of all wives are under 35, and an additional one-fourth are in the 35-44 age group. This reflects our tradition of early marriage as well as the upsurge in marriages during and immediately after World War II. Almost one-half of the wives in our country have married since 1940.

Only about six per cent of all married women live apart from their husbands, and in most of these cases it is not because of marital discord. Many husbands are away from home because of their employment, and 446,000 are in the Armed Forces.

Hospital Patients Operate Sundry Store

TAMPA, Fla.—Patients at the Southwest Florida Tuberculosis Hospital operate their own sundry store and get the benefit of all the profits.

The profits have been used to buy two television sets and a movie screen for the wards and to set up an emergency fund for needy patients, to provide fare home for some discharged patients, and to supply items from the store to patients who can't pay and can't work.

Those who have no resources but can work operate the store, handle the mobile cart used for the convenience of the bedridden, and care for vending machines. They earn enough to get necessities and some luxuries from the store.

The store is a project of the Patients Executive Council, backed up by hospital authorities.

English Spurn Offer Of Free Play Center

WORCESTER, Mass.—A kind-hearted American shoe manufacturer, Arthur A. Williams, was visiting Bushden, England, and noted that the village had no children's recreational center.

He offered to donate \$16,000 to provide one.

Williams was somewhat surprised when headmaster L. C. Wilde of Bushden School rejected his offer with this explanation: "This scheme is contrary to our feelings in the education world. We say a good school and a good home are sufficient for growing children."

Flashy Canine

MARKS, Miss.—Rusty, a four-year-old cocker spaniel, flashes a gold tooth when he growls. Rusty's owner, little Lynn Attaway, Jr., decided that the dog should have a gold tooth.

Lynn's father, L. B. Attaway, operates a dental laboratory in nearby Clarksdale, and obliged.

Candidate for Office

Walter W. Ullick

Ullick to Seek Office....

(continued from page 1)

acre farm which he and his wife had bought with their savings. Their home is on Long Grove rd., Barrington, in Elia township.

In addition to his legal activities, Ullick is a member of the Lake County Farm Bureau, the Elks, Eagles, Moose, Veterans of Foreign Wars, American Legion, and Swedish Glee club of Waukegan.

He was born in the Portage Park neighborhood of Chicago, July 22, 1919. He attended Schurz High school and obtained a commerce degree from Central Y. M. C. A. College. His legal education he received at John Marshall Law school. He earned his own way from the start as a delivery boy and clerk in a grocery store, theatre usher, elevator operator, accountant, bookkeeper, and credit investigator. He was a stock and bond salesman when the Ullicks decided to raise their children on a Lake county farm.

Mrs. Wm. Thompson, Correspondent
Tel. 583W2

Mrs. Clifford Crittenden and Mrs. Oscar Finkel attended a stork shower for Mrs. Claude McNamara at the home of Mrs. Lee Stone of State Line road, on Monday afternoon, Jan. 23.

Mrs. William Richards was a medical patient in St. Therese hospital for several days recently.

Mr. and Mrs. Robert Irish and children attended a family dinner at the home of Mr. and Mrs. Clifford Elsbury at Gurnee on Sunday.

Earl L. Crawford, having sold his farm to Mr. and Mrs. Lloyd Leable, moved on Saturday to the brick bungalow on Lake st. in Antioch which he purchased recently from Mrs. Arthur Bock.

The Russell Hunter family of Great Lakes were Sunday afternoon and supper guests at the Eddie Van Patten home. They called at the Will Thompson home on their way home.

Mr. and Mrs. William Gerber and children of Antioch visited the Will Thompson family Saturday evening.

Mr. and Mrs. Fred Leable were Sunday dinner guests at the home of their daughter, Mrs. Blanche Alverson, at Kenosha.

Mr. and Mrs. Rod Ames gave a turkey dinner at their home on Monday evening, Jan. 24 in honor of their daughter Janet's tenth birthday. The guests were several of her girl friends.

Mrs. Lois Singletary of Zion visited Mr. and Mrs. Fred Leable on Monday evening, Jan. 23.

ACORN 4-H CLUB STARTS YEAR'S PROJECTS

The Antioch Acorns 4-H club has started its projects for 1956 and will meet the second and fourth Mondays of each month at the Scout House. The next meeting will be February 13.

Leaders in charge are Mrs. Peter Kisel, Mrs. Carl Reichenbach, and Mrs. Kenneth Liddle in sewing and Mrs. Fred Dittmer and Mrs. Edward Zalatoris in cooking. Anyone wishing to donate a portable machine for their use is asked to call Antioch 258-R-2 and the club will pick it up.

Albert Sheppard of 287 Park st., who has been in poor health for the past two years, was taken by the Antioch Rescue squad to St. Therese hospital yesterday for treatment.

Henry Mau is much improved since his return home from Victory Memorial hospital where he had been quite ill for a few days.

Reclamation of surface-mined land pays big dividends. The Pittsburgh & Midway Coal Mining Co. grazes 500 head of top quality cattle on a 5,000 acre tract in southern Kansas where legumes and grasses have been seeded.

Consolidated Edison Co. of New York, serving America's largest metropolis, and Detroit Edison Co., which serves the nation's Automobile capital, Detroit, each use nearly 5,000,000 tons of coal a year to produce electric power.
